

FREDDIE STEADY KRC

"From psychedelic rock to punk to country, this jack-of-all-genres plays it all with a panache reminiscent of the late, great Sir Doug"
-Rob Patterson/TEXAS MUSIC MAGAZINE

"Texas Music Hall of Famer Freddie Steady Krc never fails to impress wherever he's playing (and he's playing somewhere tonight - bet on it!). Whether providing the thump for Roky Erickson and Jerry Jeff Walker or as frontman for Power Pop heroes the Freddie Steady 5, the folk-rocking Shakin' Apostles or the Cajun-tinged, U.K. pub-rock all-star growl of Wild Country, Krc's credentials are impeccable."
-Prof. Jud Cost/MAGNET

"Texan roots-pop at it's best."
-Nick Dalton/MAVERICK MAGAZINE
